

Dear Fellow Members of LCN,

As most of you know, a well-loved part of our life at LCN is the observance of Lent with dinners and services each Wednesday evening. The way we do it is to divide folks up into clusters, each with a responsibility for providing the food and the serving for one of the meals, meaning that everyone can get four out of the five meals without work or expense but by just showing up. (You can actually get five out of the five also, since we're happy just to have people come and we don't require anybody to do this if they don't want to or are unable to help.) Please do feel free to decline your assignment or to switch your cluster if need be.

We are getting a rushed start now due to the present February vacation week. The first two clusters will meet for planning briefly after church this Sunday. Subsequently, each cluster will meet after the service ten days before the scheduled Wednesday.

The suppers begin at 6:15 and are followed by the Lenten services at 7 p.m. We have noted a contact e-mail address below for the captains for each group.

Let us know if you have questions or problems.

Lenten blessings,

Pastor Stendahl
